I am an ally for all youth.
I understand that biological sex is assigned at birth based on body parts and chromosomes; gender identity is one’s inner most concept of self as male or female, a blend or neither; gender expression is an external appearance of one’s gender identity through clothes or behavior, for example; and sexual orientation is who you are attracted to emotionally, sexually or physically.

I foster positive youth development, promote appreciation for diversity, model and teach respectful attitudes, and ensure welcoming environments, regardless of gender, identity, sexual orientation, gender expression, or sexual orientation.

I support gender-affirming interactions with youth and will use a youth’s preferred name and gender pronouns.

I am creating an LGBTQ–inclusive environment to improve experiences for all young people. I am an ally for youth, and a role model for others.
